

International Conference on Disaster Resilient Infrastructure (ICDRI) 2022

Envisioning a People-centered and Resilient Infrastructure Transition

4 - 6 May 2022

(Time zone : IST)

DAY 1 | WEDNESDAY, 4 MAY 2022

Opening	1000-1100	Inaugural Session	
Policy Forum	1130-1300	Stage Setting: Towards a People-centered and Resilient Infrastructure Transition	
Futures Session	1330-1430	Futures Thinking and Foresight Approach: For Building the Infrastructure of Tomorrow	
Parallel Sessions	1430-1600	Regional Forum Refurbishment and Replenishment of Aging Infrastructure for Transition into Net-zero and Resilient Future	1500-1630 Regional Forum Integrating Resilience and Adaptation into Infrastructure Investment: Learning and Opportunities for Future Proofing Infrastructure of Developing Economies
	1700-1800	Policy Forum Regional Cooperation for Strengthening the Resilience of Infrastructure Systems and Communities in the Indo-Pacific	1700-1830 Policy Forum Risk Assessments and Resilience Metrics: Making Long-term Investments Amidst Deep Uncertainty
Featured Session	1900-2030	USG Engagement and Delivery of Disaster Resilient Infrastructure Around the World	

DAY 2 | THURSDAY, 5 MAY 2022

Regional Forum	0730-0900	Enabling Resilient, Sustainable and Inclusive Infrastructure Transitions in SIDS and LDCs	
Futures Session	0900-1000	CDRI Fellowships: Fellowship Announcement for 2022-23	
Parallel Sessions	1030-1200	Thematic Forum A Human Centered Approach to Resilient Infrastructure	1100-1230 Thematic Forum Transitioning the Path to Resilient Infrastructure through Performance-based Standards
	1330-1500	Sectoral Forum Digital Infrastructure: Towards Resilient Data Center Transition	1330-1500 Sectoral Forum Reimagining Resilient Transport of the Future
	1530-1700	Sectoral Forum Achieving Net-Zero: Providing Affordable, Reliable, and Resilient Power to People	1530-1700 Thematic Forum Nature-based Solutions (NbS): A Public Good for Resilient Infrastructure Transition
	1730-1900	Thematic Forum Building Capacities to Enable Resilience of Transitioning Infrastructure: Charting Approaches for Capacity Development of Infrastructure Actors	1730-1900 Thematic Forum Leaving No One Behind: Approaches for Community Involvement in Infrastructure Recovery and Reconstruction

DAY 3 | FRIDAY, 6 MAY 2022

Futures Session	1000-1100	Resilient Energy Infrastructure Transition with Focus on Hydrogen	
Parallel Sessions	1100-1200	Futures Session Unpacking Infrastructure Resilience: Lexicon, Principles and Standards	1130-1300 Thematic Forum Financing Resilience of Transition Infrastructure: Understanding Demand, Mapping Solutions and Charting Pathways
Featured Session	1300-1400	Accelerating Adaptation Investments for Resilient Infrastructure	
Policy Forum	1330-1500	Managing Interdependencies in Infrastructure Systems for a Resilient Future	
Policy Forum	1530-1630	ICDRI 2022 Outcome Document Presentation and Discussion	
Closing	1630-1700	Closing Session
